## NOMINATION FORM

# The AIMS International Safety Award

The **AIMS International Safety Award** is presented annually to the individual or organization that demonstrates leadership, innovation, and foresight in improving safety in the amusement industry. With safety as the industry's #1 concern for amusement industry guests and employees worldwide, efforts in improving safety are shown in many forms: the design and implementation of new products and technology, the development of safety education programs and training, and by exemplary leadership in influencing others.

Nominations for the AIMS Safety Award can be submitted by individuals within the amusement industry. The winner will be selected by a vote of AIMS International's board of directors. The award will be presented during the 2021AIMS International Virtual Safety Seminar.

**The deadline for nomination is Friday, December 4, 2020**
